WWW.FREITAG.TEST

I'm Madison Barnes. Five years ago I decided to live life on my own terms, explore the world, and love my work. Who wouldn't? I left the 9-5 life and started living adventurously. My blog Freitag (Friday) has grown enormously –from Hostels to resorts. I still love every type of adventure, whether a hiking trip with tents through Norway, Bed & Breakfast on the California Coast or a Design Hotel in Edinburgh. Me and my team travel all over the world to provide you with accurate, and useful travel information. What's hot? What to do and what to avoid when in ____. From the top lodging locations to the top Instagram-able locations during your stay –we've got you covered with our Friday top 5's and more!
